\$225,000

2902 E SCHROCK RD – WATERLOO, IOWA

4 BR, 1 BA

1,672 SF

Nearly 7 acres on a blacktop road! The house is 4 bedrooms and 1 full bath with main floor laundry room. Windows have been replaced, newer furnace and the shingles have been upgraded. Great opportunity for anyone that has horses or livestock. Two separate fenced in areas, one is 2.5 acres of grass pasture and the other was corn last year but could be seeded to 3 acres of pasture or hay. The fertility of the dirt is above average quality. The barn is still very useful, is can be accessed from ground level above and below. It has a concrete floor on the upper level and three automatic waterers. There are also two great spots for a pond.
